

COLOUR PALETTE ACOUSTICS

## Colour palette - Standard finish

### Introducing colours

White is the colour that has always characterised our products - and we still love its elegance - yet we have decided to surprise you by expanding the world of Mogu products with a fantastic color palette to customise your project. Our Acoustic palette includes five color scales, each made of four different shades designed to support a perfect mix and match.

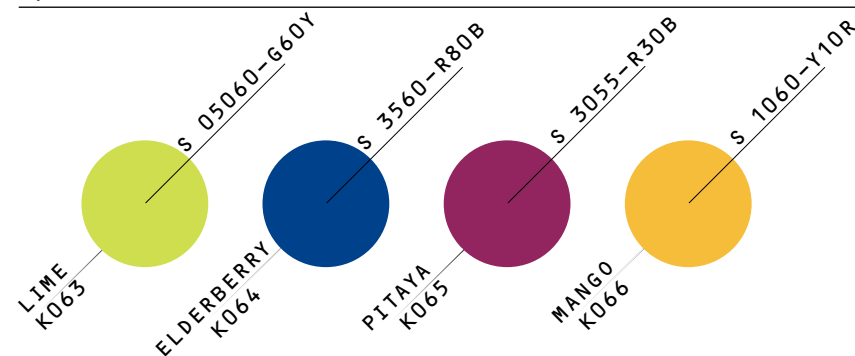

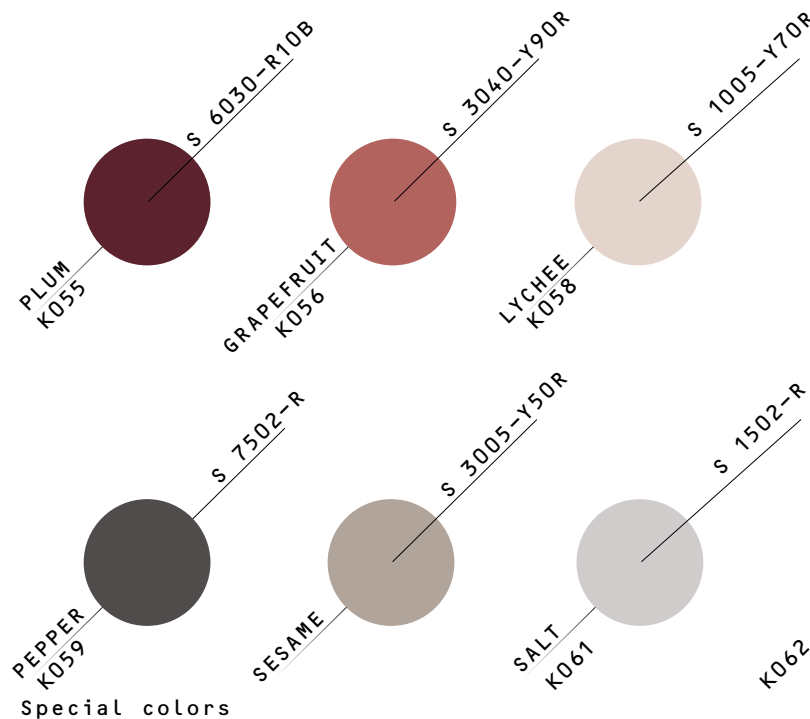

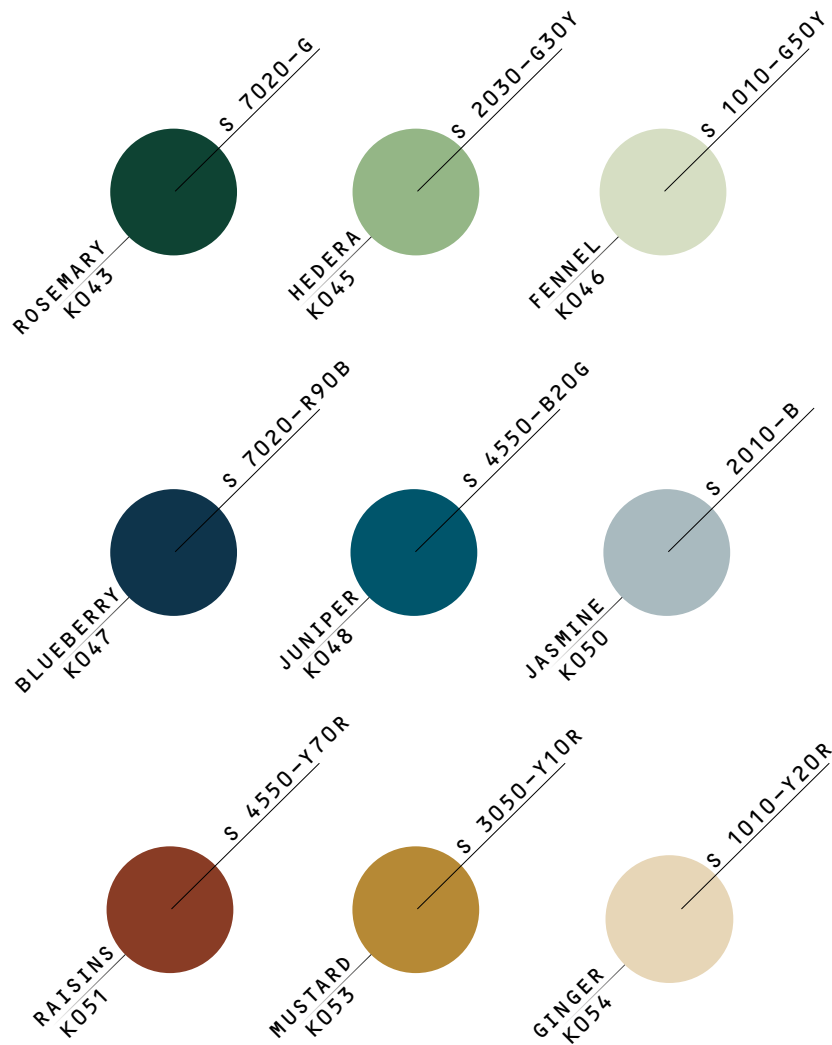

## Colour palette - Kiwi finish

### Introducing colours

The Kiwi Finish offers a selection of rich colors layered with soft wool, adding depth, texture, and warmth to any space. It also includes a Special Edition of bold, vibrant tones for standout, creative designs.
